

PARTICIPATION AGREEMENT FORM

What is required for each project's final report?

Each funded project must submit a final report to the Bob Graham Center office by **April 28, 2017**. The final report is to be limited to two pages of narrative using the final report form for 2016 posted on the website. It also includes a separate one-page accounting of the funds expended using the budget form provided on the website. Students must also include 3-5 digital photos, attaching them to the end of their two-page final report. Final reports should be **submitted electronically** to the Bob Graham Center office by a member of the team **via email or flash drive**. Reports may be posted on the website for all to see and learn from.

The Bob Graham Center requires public acknowledgment of the projects it supports, as outlined below. Unless advised to the contrary, an acknowledgment of H3C support must appear on all materials publicizing or resulting from award activities. The H3C logo and credit line should also be used in acknowledging Bob Graham Center support whenever possible.

Acknowledgment and Publicity Requirements for H3C Awards

An acknowledgment must be contained in any materials resulting from or related to the H3C grant, such as videos, signs, websites, press releases, exhibits, events and any other publicity related to the award. The prominence of the acknowledgment should be in direct relationship to the level of funding the Bob Graham Center provided for the project relative to any other sources of funding. Where possible, Bob Graham Center support should be mentioned in newspaper articles, radio interviews, and other media activities to extend the effects and awareness of your project and for future projects that could benefit from H3C funding. If you have any questions regarding the forms of acknowledgment for your project, please contact Shelby Taylor at 352-273-1086 or sheladk9@ufl.edu.
