List leadership positions held at UF or in your community.

List any prior internship experience.

What courses have you taken at the collegiate level that you feel would prepare you for this internship experience?

**Please download this form and submit with your other application materials – resume and cover letter.**

Address the following questions in your cover letter:

- Why do you want to participate in the UF Virtual Internship Program?
- What qualities do you have that make you capable of working virtually with a professional office seeking project-based support?
- How would an internship contribute to your professional and academic development?

Applications are due during the semester before the student would participate in VIP. Direct any questions, comments or concerns to Kevin Baron at [kbaron76@ufl.edu](mailto:kbaron76@ufl.edu)
